

LITHGOW SHOW SOCIETY

Young Woman Competition 2025

Do you know a young woman aged 18-25 (as of 1st May 2025) in the Lithgow area?

**Is she a great ambassador for your business and passionate about the local area?
Would she benefit from professional and personal development opportunities
to grow her skill set?**

**Encourage her to enter the 2025 Lithgow Show Young Woman Competition.
This is an amazing opportunity to highlight your business's involvement
within the community and to have a presence at the 2025 Lithgow Show.**

**The Young Woman Competition aims to find a Young Woman to act as an ambassador
for Lithgow and Rural NSW, with her role involving many official and informal duties at
the 2025 Lithgow Show and associated community events.**

**This is not only a fantastic opportunity to further promote your business, but also an
excellent opportunity to invest in your staff!**

**This competition is life-changing. Every entrant comes away with improved
networking, public speaking, interview & etiquette skills, lifelong friendships and an
opportunity to get more involved in their community!**

**If you have someone who you believe
would benefit from entering
this competition please contact:**
